	Courses offered out of Arizona including distance learning, to non resident out-of-state students	\$ 215.00	\$ 215.00	\$ -	\$ 215.00	\$ -
	This rate applies to out-of-state students who are taking distance learning courses or students who are taking classroom-based credit courses through a contract agreement between MCCCDC and the company they work for. This rate does not apply to Study Abroad Programs as there is a separately calculated rate for these students. The nonresident tuition rate of \$215 per credit hour for distance learning courses applies to students who both reside in the state and do not reside here. Students not qualifying for resident tuition would pay the nonresident rate whether taking the course in Arizona or in their state of residence. If the distance learning non-resident out of state student is a resident of a WICHE state, the lower Western Undergraduate Exchange Program Rate will be charged.					
	Out-of-State Students in Study Abroad Programs	\$ 206.00	\$ 86.00	\$ 120.00	\$ 206.00	\$ -

	The educational consortium sponsored by Western Interstate Commission for Higher Education (WICHE) allows out-of-state students to take courses offered by MCCCDC and pay tuition of 150% of in-state tuition in accordance with state statute. Likewise, Maricopa County residents may attend institutions in other states and pay 150% of the resident tuition rate. This rate also applies to distance learning classes taken by eligible non-resident out of state students.					
	Educational Service Partnership (ESP) Tuition Rate	\$ 71.00	\$ 71.00	\$ -	\$ 71.00	\$ -
	Rio Salado College has been offering certificate programs to its business, industry and governmental partners as part of its mission to meet the needs of its communities since 1990. Each ESP partner provides, at their own cost, the adjunct faculty, training materials, and the required facilities/equipment. Currently, if the colleges had to pay for these materials and services, the cost would be covered by in-state tuition. Due to these significant in-kind contributions by ESP partners, the instructional costs are avoided, which in turn reduces MCCCDC costs. The ESP in-state tuition rate of \$71 per credit reflects the significant in-kind contribution that our ESP business, industry, and government partners make to the MCCCDC.
