HIGHER EDUCATION ACT (HEA) DISCLOSURES - ANNUAL NOTIFICATION

Posting HEA Disclosure Information on Institutional Websites

The disclosures required under the HEA (as amended by the HEOA) include:

- information that is required to be posted on an institution's website;
- information that may be posted on the website as a means to make it available; information that may be posted on website, but specified individuals must receive a notice of its availability;
- information that may be posted on the website, but also must be distributed to specified individuals; and information that is not appropriate for web posting (including information for crime victims about disciplinary hearings and certain information relating to education loans).

MCCCD has chosen to include all of the HEA-required disclosures that are appropriate for web posting on the institution's [student consumer information](#) portal page. However, the MCCCD does understand it is required to provide certain information directly to specified individuals.

The HEA-required disclosures are listed below in groups by the required method/s of dissemination. Note: Some of the disclosures have more than one required method of dissemination.

Please note: Where it is required to make notifications to the general public, MCCCD posts that information on its website. MCCCD also acknowledges that HEA disclosure provisions require that institutions deliver some information directly to specified individuals, or that it be provided directly upon request. MCCCD understands in these cases, simply posting information on the District's website is not sufficient to meet HEA disclosure requirements.

MCCCD understands that the Department of Education may initiate a fine, or a limitation, suspension, or termination of Title IV HEA eligibility for any substantial misrepresentation made regarding the nature of its educational program, its financial charges, or the employability of its graduates. (Under HEA Sec.

485(f)(13), this provision also specifically applies to misrepresentation of the number, location, or nature of crimes included in campus crime reports).
