Maricopa Promotes Voter Registration Annual Notification

Every election cycle in November, Maricopa county voters have the opportunity not only to participate in the selection of a new US President, but also to help decide issues of particular interest to the Maricopa Community College District. Thanks to recent federal legislation, U.S. colleges and universities will now assume an active role in efforts to encourage voter registration. According to the 1998 Reauthorization of the Higher Education Act, an institution of higher education must make a "good faith effort to distribute a mail voter registration form . . . to each student enrolled in a degree or certificate program and physically in attendance at the institution, and to make such forms widely available to students at the institution."

MCCCD encourages you to be a registered voter and exercise your right to vote!

You can register online at <https://servicearizona.com/VoterRegistration/selectLanguage>.
