**\*Skill Centers Material Fee:**

The Skill Centers do not operate bookstores. Instead, a standard Books/Lab/Materials Fee of \$250 per section covers all books/lab cost, materials, and job-specific clothing and headwear issued to students. The standard \$250 fee is prorated for students enrolled in a course of program less than 21

days long. The average training length of 5-7 months includes many courses in which the first \$250 fee covers all books and materials. The additional assessment of the \$250 fee for courses with high books and material costs is assessed as students pass into advance sections with new books and materials. It is also prorated when the cost are less than \$250. Due to open-entry/open-exit scheduling and the changing costs of textbooks, the individual course totals for books/lab/materials are listed in campus and program-specific materials.

**College Specific Fees:**

Please check with your College Admissions & Records or Cashier's Office

Students may incur expenses beyond the established fees in certain courses.

**Non-Credit Courses/Seminars/Workshops/Community Services**

Fees for these courses are determined by the length and type of each course and will cover total costs.
