**Citizen’s Interim**
One speaker came forward.
Spencer Morgan, President of the Associated Students at Mesa Community College, came forward on behalf of the student body at MCC regarding the tuition and fees being considered for the 2010-11 fiscal year. He read the following resolution which had been passed unanimously earlier in the afternoon by the students at MCC. The resolution read as follows:

**Resolution Expressing the Dismay of Students on the Fee Increases for Maricopa Community College**

**Mesa Community College Student Senate**

*By: Carol Ralls, ASMCC VP of Communications; David Perry, ASMCC Chief of Staff; Justin Nichols, Independent Senator; Jen Bailey, Publicity Chair; Andre Salais, ASMCC Executive VP; David Perry, ASMCC Chief of Staff; Aubrey Barnwell, Satellite Chair; Mackenzie Miller, Special Events Chair; Jimmy Ou, Asian-Pacific Islander Club; Austin Christofferson, Bio-Tech Unplug; Alexandria Viamille, Black Student Union; Cynthia Guillen, Chenji Hoshi Inochi; Josie Rogers, Campus Crusade; Jacob McDorman, Chess Club; Tyler Heaps, Dagarhir; Raquael Joiner, PSI Beta; Lauren Pew, Latter-Day Saints Student Association; Joseph Roberts, Fashion Focus; Brandon Baldwin, Environmental Action Club; Lea Laffartha, Phi Theta Kappa; Bridget Carson, Forensics; Kelley Turk, TEA Society; Theresa Carter, Future Educators; Mary Toomey, Geology; Daisy Loera, Movimiento Estudiantil Chicano/a de Aztlan; Bianca Simmons, National Association for the Advancement of Colored People; Brandon Barta, Maricopa Debate; Jenny Lyn Lundt, Math Club; Edguardo Giraud, Music Industries Club; Jami Lyn Hinson, PRISM (Gay-Straight Alliance); Traci Papineau, Student Nurses Association; Steven Schaub, Independent Senator; Jacob Weinstein, Independent Senator; Erica Stanley, Independent Senator; Justin Nichols, Independent Senator; Jim Hull, Independent Senator; Jordan White, Independent Senator*  

Whereas: the Arizona State Constitution states that “the instruction furnished at state educational institutions shall be as nearly free as possible and fees should be neither excessive nor unreasonable”, and

Whereas: the class fee increases proposed to the Governing Board for the Maricopa Community College District are, in effect, an indirect means of raising tuition without a direct increase on the tuition itself, and

Whereas: the Associated Students of Mesa Community College find that the proposed increase is a long-term solution to a short-term problem that will leave a lasting impact, hindering the ability of students to register and attend MCCCD colleges, and

Whereas: the MCCCD Mission statement states that The Maricopa Community Colleges provide access to higher education for diverse
students and communities and focus on learning through continuing education, the proposed fee increases without justification and review would discourage community members to continue their education with MCCCD colleges, and

Whereas: the MCCCD values excellence and encourages their internal and external communities to strive for their academic, professional, personal best, and lifelong learning opportunities that respond to the needs of our communities that are accessible, affordable, and of the highest quality, the fee increases, without justification would damage the reputation of MCCCD, making it not an “easily accessible” nor an “affordable institution” of higher learning,

Whereas: the student body realizes that with continuing cuts to department funding fees must be put in place to continue the current quality of education, and

Whereas: most scholarships cover the cost of tuition but not lab fees,

BE IT RESOLVED THAT:

The Student Body expresses its dismay in the lack of communication to the students regarding the fee increases;

BE IT FURTHER RESOLVED THAT:

The Governing Board understands the impact of the fees on the student body and review course fees on an annual basis to measure their viability and continues its efforts to ensure resources are being used as effectively as possible and future fee proposals are communicated to the student body to include student input as well as provide more transparency as to the justifications of the fees and how the funds are being used.

Senate Vote:  36/0   Date: 03/23/2010   Chairman’s Initials: AS

In closing, Mr. Morgan urged the Governing Board, College Presidents, and Vice Chancellors to consider the wishes of the students.

GOVERNING BOARD MEMBER REPORTS

Governing Board Member Debra Pearson took this opportunity to congratulate Dr. Paul Dale on his nomination as President of Paradise Valley Community College which would be confirmed later in the meeting. She commented the selection process and thanked the selection committee for their efforts. She stated that she also wanted to go on record that she had received numerous complaints from people that because of her Native American background, she was promoting the hiring of Native Americans. She clarified this misinformation by explaining that it was her desire to promote education for Native Americans as a means of becoming qualified for future employment.
Governing Board Chair Randolph Lumm expressed appreciation to GCC President Dr. Velvie Green for setting up a tour of Glendale Community College, specifically the Justice Studies Building and Library.

**CHANCELLOR’S REPORT**

Chancellor Glasper reported on two items. He first provided an update on the 21st Century Maricopa Initiative which included the following comments:

Since the 21st Century Maricopa recommendations were made on December 9, 2009, District administration, faculty, and staff have worked collaboratively to start the review of the recommendations and the implementation of strategies. The following identifies progress to date.

1. **Oversight and Strategies Ready for Implementation**
   - The Steering Team had its second meeting on March 22, 2010.
   - Brief progress updates were provided for each of the four key areas: Student Success, Business Systems, Human Resources, Information Technology.
   - The Steering Team endorsed the following strategies presented (see Attachment A):
     - Student Success: Transfer
     - Student Success: Dual Enrollment Website
     - Business Systems: Decentralize budget to Colleges & District Office to better reflect actual costs.
   - A presentation was made regarding proposed processes, strategies, and approach in Information Technologies, including the schedule for deliverables (see Attachment B, PowerPoint presentation handout).
   - The next meeting of the Steering Team will be held on May 3, 2010.

2. **21st Century Maricopa Support and Work Teams**
   - There are 38 active work teams.
   - Work teams are reviewing over 50 recommendations.

3. **Communication and Tracking**
   - Tracking of implementation strategies can be found at: [https://dst.sp.maricopa.edu/DWG/21century](https://dst.sp.maricopa.edu/DWG/21century)

4. **New Steering Team Member**
   - Steve Phillips, Senior Vice President and Chief Information Officer for Avnet, Inc. has joined the steering team as a new member who will help address IT issues.
Student Success Strategies – presented by Maria Harper-Marinick, VC, Academic and Student Affairs

- **Strategy:** Improve District Office and College transfer student support services through initiatives such as a regular, District wide transfer fairs, regularly scheduled four-year university representatives visiting individual MCCCD Colleges, the development of transfer strategies courses, coaching and tools and the continued District-led development of enhanced transfer relationships with four-year institutions.

1. Implement MAPPs for 50 university majors through the ASU-Maricopa Alliance, providing student incentives including guaranteed admissions, tuition caps based on cohort year, and student scholarships.
2. Support NAU Connection Transfer Days and ASU Alliance Transfer Days at the colleges.
3. Coordinate with colleges to communicate to university transfer partners about participation in college transfer fairs.
4. Update transfer policies for 2010-2011 Catalog Common Pages to assure system-wide implementation of transfer policies.
5. Design and implement Transfer Student Portal which is on front page of Maricopa.edu
6. Develop new transfer partnerships; e.g., University of Texas at El Paso, Strayer University, and Kaplan University.
8. Present about university transfer options to groups at several colleges, the Annual Advising Conferences, and the Student Success Conferences.
9. Implement new statewide transfer policies related to "elective or better" and AGEC policies.
10. Conduct a program inventory and a student incentives inventory with university transfer partners in order to better document and communicate programmatic transfer options to instructional councils.
11. Implement metrics for measuring the effectiveness of transfer partners in supporting transfer agreements.

- **Strategy:** Create one MCCCD Dual Enrollment Website processed centrally

The initial phases of development of the web site are
completed. The site includes information about the dual enrollment program for students, parents, high schools, and the general public.

http://www.maricopa.edu/dual/

Business Systems Strategies – presented by Debra Thompson, VC Business Services

- **Strategy: Decentralize budget to Colleges & District Office to better reflect actual costs.**

Centrally budgeted costs were reviewed based on the following criteria:

1. Funds could be allocated on a permanent basis as part of an ongoing base budget;
2. Sufficient knowledge exists to make a valid allocation to colleges; and,
3. Whether the expense was an obligation of the District as a whole.

The following expenses will be decentralized to the Colleges/District Office for FY 2011:

- Student Accident Insurance- Funds to cover college insurance for accidents involving students
- Disability Resources/Interpreter – Allocated to annually based on disability enrollments according to a formula by Disability Resources Council
- Preventive Maintenance – Maintenance on District-wide HVAC, filter, repairs (any proposals for reductions will be coordinated as a system)
- Central Plant Chiller Maintenance – District wide maintenance on all chillers any proposals for reductions will be coordinated as a system)
- Anniversaries – Non-faculty eligible, step increase based on seniority dates in accordance with employee policy

Chancellor Glasper requested that Vice Chancellor Debra Thompson provide an explanation pertaining to Item VI.A.4, Approval of Resolution Authorizing Issuance of General Obligation Refunding Bonds and Certificates of Ownership of Supplemental Interest, Series 2010. Vice Chancellor Thompson explained that later on the agenda would be a request for the Governing board to authorize the issuance and sale of General Obligation Refunding Bonds that would result in $1.5 million in savings for taxpayers over the next five years. Part of the process for doing this consisted of going through a ratings analysis. Ratings on existing bonds were affirmed at a Triple-A rating and the refunding bonds were also affirmed at Triple-A. She then requested that Kurt Freund of RBC Capital markets, the district’s financial advisor on such matters, come forward to provide further information. Mr. Freund announced that Moody’s Investor Services, Fitch Ratings and Standard and Poor’s all had examined the district’s finances and found
they continued to merit the strongest rating available. He said that only one other community college district in the United States (Dallas Community College) had comparable ratings. The strong ratings mean the district is in a position to borrow money at the cheapest possible rate which means the district’s taxpayers will pay less whenever the district borrows money to finance its projects. Mr. Freund told the Board that in deciding on a rating, the agencies look at several factors, including financial operations, student enrollment levels, general economic conditions, debt profile and basis for that debt, resources available and quality of management.

In response to a question from Board Member Pearson as to how long this rating has been held, Chancellor Glasper responded that the organization has received a Triple-A rating from all three rating agencies since 2007. Since 2001, the ratings have increased from AA and AA+, to AA since 2007. The AAA has been reaffirmed three times. The savings will be increased through the further increased efficiency and effectiveness of the 21st Century Maricopa Initiative which will further improve our ability to sustain this District. We are in a position that is enviable in this county and nation. Financial concerns that will be encountered in the future will be a cost of doing business.

Governing Board Member Dr. Don Campbell requested that the Chancellor and Vice Chancellor Thompson be acknowledged by a show of applause for this commendable accomplishment.

Of the schools at the 2010 IFA, GCC beat schools such as Arizona State University, Casper College, Clark College, Clemson University, Evangel University, San Diego Mesa College, University of Mississippi, Suffolk University, USAF Academy and Patrick Henry College, and many more. In overall school sweepstakes the only schools who beat us were George Mason University, Pacific University Oregon, and Texas Southern University. Overall we placed 4th place, and 1st place in community colleges. The overall winners were: George Mason University, Pacific University Oregon, Texas Southern University, and Glendale Community College in 4th Place.

**STUDENT LIFE REPORTS**

There were no students present.

**AADGB REPORT**

Governing Board Member Jerry Walker, AADGB Representative, spoke about the Arizona Productivity Improvement Initiative which is a multi-year endeavor undertaken by the community colleges and universities in Arizona to produce more baccalaureate degrees within the state at a lower cost to stakeholders. The project is funded by a four-year $1.5 million grant by the Lumina Foundation for Education. Dr. Rufus Gsasper and Regent Fred Duvall are co-chairs of the APII Implementation Team. Overall objectives of the initiative are:

- To develop new institutional structures, including creative partnerships between community colleges and the universities, which produce more baccalaureates at lower cost to the student, the institution and the state.
- To implement a comprehensive on-line system to assist citizens (middle school through adults) in accessing information, advising, and academic services through a common portal.
- To develop a new higher education financing model that will maximize predictability, productivity, and sustainability.
- To address the coordination and governance of postsecondary
education in Arizona
• To implement a communication and public engagement program that helps achieve Arizona’s goals for postsecondary education.

LEGISLATIVE UPDATE
Patricia Hill, Director of State and Local Government Relations for Maricopa, provided the following legislative update:

“Today is the 72nd day of the legislative session. On March 11, the Legislature passed a budget for the 2011 Fiscal Year. In your packet, you have a list of bills that we are tracking, as well as an addendum to the bill list that outlines budget implications for community colleges. I would like to highlight some points in the budget addendum as well as discuss budget implications for community colleges that are not specifically a part of the community college budget. The appropriation for community colleges is the same amount provided in FY 2010. Maricopa will again receive approximately $45 million of the total amount. The General Appropriations bill does contain a “contingency budget” that calls for additional budget cuts if Proposition 100, the temporary one cent sales tax, does not pass on May 18. Community colleges are included in the list of agencies that will receive a reduction in the FY 2011 General Fund appropriation. The community college appropriation will be reduced by about $13 million or approximately ten percent below the FY 2010 level of funding. For Maricopa, if the ten percent cut is apportioned evenly among all line items in the community colleges’ budget, this would reduce the FY 2011 state aid appropriation by approximately $4.5 million. Community colleges also receive funding through the Department of Education for Vocational Education and Adult Basic Education. The funding for the state match for federal vocational education funding was not cut in the current budget, but may be reduced or eliminated if the sales tax does not pass. Adult Education and GED were cut by $1.7 million dollars in the FY 2011 budget. I would be happy to try to answer any questions that you may have.”

AWARDS AND RECOGNITIONS
There were no awards or recognitions.

APPROVAL OF THE AGENDA
President Lumm requested a motion to approve the agenda.

MOTION
MOTION NO. 9662
Debra Pearson motioned that Item VI.A.3 be removed due to the number of fee increases that were included. She asked if it would be possible to only approve the changes that displayed decreases. Vice Chancellor of Business Services Debra Thompson indicated that the colleges go through an extensive process to look at the materials they need to teach classes and whether they are necessary. Each is reviewed every year. There was no net increase in fee across the board. For the ten colleges there were
$300,000 in fee increases. Taking into consideration the 250,000 students enrolled in classes, the increase amounted to approximately $1.20 per student. President asked if there was a second to this motion. There was no second to this motion. Motion not be approved.

MOTION NO. 9663
Board Member Jerry Walker made a motion for approval of the Agenda. Board Member Dr. Campbell seconded. Motion approved 3-1 (Mrs. Pearson – nay; Ms. Clark Absent).

The pre-construction phase services fee is $203,206.00, including reimbursable costs.

E.5. APPROVAL OF BUDGETED EXPENDITURE AMENDMENT FOR FY 08-09 – approve the amendment to budgeted expenditures (shown below) to match what was actually expended in each fund, as per the audited financial statements. This action completes the audit cycle for FY08-09.

MOTION

MOTION NO. 9664
Jerry Walker moved that the agenda be approved with the exception of Items V.C.1 and V.C.4 which were asked to be pulled by Vice Chancellor of Human Resources Dr. Phil Randolph. Debra Pearson seconded. Motion approved 4-0. (Ms. Clark absent).

C.1. CONSIDERATION OF EMPLOYMENTS - approve the following personnel actions as proposed. Budget approvals have been granted and are on file for the recommended personnel actions in this item.

Acknowledgements: Mrs. Pearson and Mr. Lumm congratulated newly appointed President of Paradise Valley Community College, Dr. Paul Dale, on his appointment which was included in this employment action item. Mr. Lumm commended the “pure” hiring process followed by the search committee.

MOTION

MOTION NO. 9665
Debra Pearson moved for approval of Action Item V.C.1. Dr. Don Campbell seconded. Motion approved 4-0 (Ms. Clark absent).

C.4. CONSIDERATION OF SEPARATIONS - approve the following personnel actions as proposed. Budget approvals have been granted and are on file for the recommended personnel actions in this item.

Comments: Vice Chancellor Human Resources Dr. Phil Randolph explained that he had pulled this item to call attention to the revision of the item caused by one employee (Kathy Ashdown) who had
rescinded her request to retire.

**Motion**

**Motion No. 9666**
Debra Pearson moved for approval of Action Item V.C.4. Dr. Don Campbell seconded. Motion approved 4-0 (Ms. Clark absent).

**V.B.2. Proposed Amendments to Policy Titles:**

**President’s Role, Annual Board Planning Calendar, Board Operations**
- amend the existing President’s Role Policy Title. The proposed change for this policy title was originally submitted for first reading at the January Governing Board meeting and was part of the proposed policy changes discussed at the Board’s January 15, 2010 retreat. At the February 23rd meeting, agenda item V.B.3 listed both the Manner of Governing and President’s Role policy titles for consideration of being changed, however the proposed language for the President’s Role was not attached. Adoption of the proposed change will require Board Members to submit a report to the Board President that includes an accounting of what took place during Board Member travel and attendance at workshops and conferences. The written report will become a public record.

Discussion: Mr. Walker voiced his opposition to the need for a written report on conferences attended. Mrs. Pearson expressed a need to provide information to taxpayers about events board members attend. She felt they had a right to know how their money was being spent and that the written report become a public document. She felt this was a way of demonstrating accountability and prevent people from going to conferences and not attending sessions.

**Motion**

**Motion No. 9667**
Debra Pearson moved for approval of Action Item V.B.2. Dr. Don Campbell seconded. Motion approved 3-1 (Mr. Walker – Nay and Ms. Clark absent).

**V.B.3. Proposed Amendments to Requests for Public Records**
- review and adopt the proposed amendments to the Requests for Public Records Board Policy. The current Board Policy on Requests for Public Records outlines the personnel information that is subject to release in the event that the Maricopa Community Colleges receives a request for information about a present or former employee. Arizona Revised Statute §39-128 also makes disciplinary records of public officers and employees subject to disclosure. In addition, self-evaluations and performance reviews are subject release due to a court ruling by the Superior Court of Arizona (Maricopa County).

**Motion**

**Motion No. 9668**
Debra Pearson moved for approval of Action Item V.B.3. Dr. Don Campbell seconded. Motion approved 4-0 (Ms. Clark absent).
V.B.4. APPROVAL OF PROPOSED AMENDMENTS TO NON-DISCRIMINATION POLICY ADMINISTRATIVE REGULATIONS
- review and adopt the proposed amendments to the Non-Discrimination Administrative Regulation. While language for the Non-Discrimination Policy rests in the Administrative Regulation section of the Maricopa Governance Manual, this particular language requires approval by the Governing Board. Wording changes are proposed in order to update the existing policy to reflect current references to persons with a disability, due to citizenship status, as well as to add a new protected class: genetic information. Title II of the Genetic Information Non-discrimination Act of 2008 protects applicants and employees from discrimination based upon genetic information in the course of employment including hiring, promotion, discharge, pay, fringe benefits, job training, classification and referrals. Genetic information includes information about genetic tests of applicants, employees, or their family members; the manifestation of diseases or disorders in family members (family medical history); and requests for or the receipt of genetic services by applicants, employees, or their family members. U.S. Code: Title 8, §1324b prohibits discrimination based upon national origin or citizenship status.

**Motion**

**Motion No. 9669**
Debra Pearson moved for approval of Action Item V.B.4. Dr. Don Campbell seconded. Motion approved 4-0 (Ms. Clark absent).

V.B.5. APPROVAL OF ELIMINATION OF ACTIVE RETIREMENT PROGRAM – approve the elimination of the Active Retirement Program for all employee groups effective July 1, 2010. Elimination of this program will result in savings that are needed to meet budget shortfalls due to declines in State Aid and slowed growth in property taxes. The actual amount of savings for FY 10-11 is $3.4 M and this is needed to cover budget shortfalls.

**Motion**

**Motion No. 9670**
Debra Pearson moved for approval of Action Item V.B.5. Dr. Don Campbell seconded. Motion approved 4-0 (Ms. Clark absent).

V.C.6. APPROVAL OF DISMISSAL OF EMC EMPLOYEE – accept the unanimous and binding findings and conclusions of the Hearing Committee, and approve its recommendation that the involuntary termination of Maria Sutton from employment as a Certified Public Safety Officer at EMCC, effective October 27, 2009. College Safety Policies, section 19.2 states, "Failure to return from a Medical Leave of Absence will result in automatic termination." Pursuant to written notice issued on September 10, 2009 pursuant to CSP section 15.4.2.1, Maria Sutton was terminated for failure to return from a medical leave of absence effective October 27, 2009. Ms. Sutton timely filed a request for hearing pursuant to section
15.4.2.2. A Hearing Committee was properly constituted in accordance with 15.4.2.3. The parties met with the Committee's Chair to exchange exhibits, witness lists, and summaries of witness testimony. A hearing was held on the date agreed by the parties, on Friday, January 25, 2010, pursuant to section 15.4.2.5 of the CSP. The Hearing Committee summarized the evidence and, in a unanimous decision, rendered and forwarded binding findings of fact and conclusions of law in writing, together with its recommendation that the dismissal of Ms. Sutton was appropriate and should be upheld (Section 15.4.2.6). As the Chancellor's designee, Interim Vice Chancellor Philip Randolph reviewed the Hearing Committee's recommendation, adopted it, and forwarded it to the Board pursuant to Section 15.4.2.7. The Governing Board makes the final decision, subject to the policy stated in section 15.4.2.6, that the findings of fact and conclusions of law rendered by the Hearing Committee are binding.

**MOTION**

Motion No. 9671
Debra Pearson moved for approval of Action Item V.C.6. Jerry Walker seconded. Motion approved 4-0 (Ms. Clark absent)

Comments:
Governing Board Member Dr. Don Campbell expressed concerned that a large number of students are on financial aid. Is there going to be an increase in federal financial aid? Response: None that we are aware of, therefore, trying to keep tuition lower.

Governing Board Member Debra Pearson commented that Federal Pell Grants bill is sitting and not moving. Not sure if number of applications made will increase. Community colleges have taken a hit. When the economy is good, community colleges are forgotten and when things are bad, the need is great. Response: MCCCD tuition rate is a bargain. Potential to change students’ lives is great.

Chancellor Glasper commented that financial stability has been shown through the AAA Bond Rating received through the three rating agencies (Moody’s Investor Services, Fitch Ratings, and Standards and Poor’s). It has been demonstrated that we can sustain ourselves through 2011. We have a cash balance of $15 million which will be used in the case that the State is in a negative state and unable to fund us since community colleges are on the list to delayed state aid. We need to convince the state of community college needs since enrollment is up 13,000 and tuition costs will not educate these students.
expended this year as compared to 56.0% expended at this same point in time last year. 23.8% of the budget remains unexpended or unencumbered compared to 21.9% in the prior year. Revenue analysis indicates that $459.6 of the budget has been recognized. The projected fund balance will increase by ~$0.5 million this fiscal year and the projected ending fund balance for June 2010 is $122.7M.

**NEXT BOARD MEETING**
